

Curriculum Vitae

DOTT. STEFANO PERON

Occupazione attuale e qualifica

Medico chirurgo
Specialista in Neurochirurgia
Dottore in Chirurgia e Biotecnologie chirurgiche

Membro EANS (European Association of Neurosurgical Societies) dal 2007.
Membro SINCH (Società Italiana di Neurochirurgia) dal 2015.
Membro SIB (Società Italiana Basicranio) dal 2017.

Esperienza professionale

01/10/2010 - attuale
Dirigente Medico I livello.
Neurochirurgia, con particolare interesse in neuro-oncologia, chirurgia endoscopica del basicranio, neurotraumatologia e chirurgia spinale.
Ospedale Civile di Legnano, ASST Ovest Milanese
Via Papa Giovanni Paolo II, 20025 Legnano (MI).

15/03/2010 - 30/09/2010
Dirigente Medico;
Incarico libero-professionale.
Neurochirurgia.
Ospedale di Circolo - Fondazione Macchi
Viale Borri 57, 21100 Varese (Italia).

2009 - 2013
Dottore in Chirurgia e Biotecnologie chirurgiche.
Ricerca in chirurgia e biotecnologie chirurgiche;
Con interesse particolare in modelli sperimentali di vasospasmo cerebrale e trauma cranico.
Tesi di dottorato: 'Vasospasmo cerebrale post-emorragico. Studio farmacologico dei meccanismi di vasodilatazione a livello del poligono di Willis. Studio morfologico della microcircolazione corticale e sue relazioni con eventi ischemici tardivi.'
Università dell'Insubria
Via Ravasi 2, 21100 Varese (Italia).

01/06/2005 - 26/10/2009
Laurea Specialistica in Neurochirurgia (50/50 con lode)

Neurochirurgia

Tesi di specializzazione: 'Vasospasmo post-emorragico sperimentale: studio morfologico, flussimetrico e morfometrico della microcircolazione corticale di ratto'
Università dell'Insubria
Via Ravasi 2, 21100 Varese (Italia)

10/08/1999 - 29/09/2004

Laurea in Medicina e Chirurgia (110/110 con lode)
Medicina e Chirurgia
Tesi di laurea: 'Aneurismi e spasmo cerebrale'
Nome e tipo d'organizzazione erogatrice dell'istruzione e formazione
Università dell'Insubria
Via Ravasi 2, 21100 Varese (Italia)

1993 - 1998

Diploma di Maturità Classica

Altre informazioni

2006-2009

Corso Europeo EANS (European Association of Neurosurgical Societies) di Training in Neurochirurgia, con esame finale superato.

Frequenze ospedaliere:

2000-2001 Chirurgia toracica - Ospedale di Circolo - Università dell'Insubria, Varese

2002 Chirurgia generale - Ospedale S. Antonio Abate, Gallarate (VA)

2003-2009 Neurochirurgia - Ospedale di Circolo - Università dell'Insubria, Varese

Esperienze di formazione all'estero:

Giugno-Novembre 2008: Clinica Neurochirurgica - Ospedale Universitario "12 de Octubre", Madrid (Spagna)

Giugno-Novembre 2008: Laboratorio di Microchirurgia sperimentale - Ospedale Universitario "12 de Octubre", Madrid (Spagna)

Attività didattiche:

Croce Rossa Italiana, sezione di Gallarate: Corso di

formazione per Volontari del Soccorso.

UALZ (Università Anziani di Legnano e Zona): Corso di Medicina.

Corsi, nazionali e internazionali:

Cerebral microdialysis: "Achieving patient benefits from
Microdialysis in your Neuro Intensive Care Unit",
October 22-24, 2004 - Stockholm (Sweden)

AOSpine Course on Spine surgery, January 26-27, 2005
- Istituto Ortopedico Galeazzi, Milan

Course on intracranial pressure monitoring, April
21-22, 2005 - Monza (Milan)

II Theoric and practic course of neuroncology - "Stages
in neurooncology", Molinette Hospital, May 23-27,
2005 - Turin

XIX Course of Italian Society of Neurosurgery for
young neurosurgeons (SINCH), May 29-31, 2005 -
Pomezia (Rome)

AIRO Course "The integrate treatment of primitive and
secondary tumors of CNS" - November 25, 2005 -
Turin

Skull base society meeting course "Reconstructive
techniques in skull base surgery", March 17-18, 2006 -
Varese

I Course European Association of Neurosurgical
Societies (EANS) - "Brain Tumors and Paediatric
Neurosurgery", August 2006 - Bratislava (Slovak
Republic)

Medtronic Course: Workshop of drilling technique and
operating room procedures instructions in electrical
instrumentation. August 26, 2006 - Bratislava (Slovak
Republic)

AOSpine Course on Spine surgery, January 16-17, 2007
- Milan (Italy)

II Course European Association of Neurosurgical Societies (EANS) – “Epilepsy, Pain, Neuromodulation, Head injury and training in neurosurgery”, February 18-22, 2007 – Antalya (Turkey)

Biennial International Milan Masterclass: “Sinonasal and skull base endoscopic microsurgery”, March 23-25, 2007 – Milan

III Course European Association of Neurosurgical Societies (EANS) – “Spine and Peripheral nerves”, February 24-28, 2008 – Trondheim (Norway)

AOSpine course on spine surgery, January 2008 – Milan

9th Helsinki Live Demonstration Course in Operative Microneurosurgery, June 1-5, 2009 – Helsinki (Finland)

IV Course European Association of Neurosurgical Societies (EANS) – “Vascular Neurosurgery”, September 13-17, 2009 – Opatija (Croatia)

Functional approach to brain gliomas, October 15-17, 2009 – Santander (Spain)

Theoretical-Practical Live Surgery Course on “Awake craniotomy for cerebral gliomas”, June 9-11, 2010 – Ferrara (Italy)

X ‘Hands On’ Cadaver Dissection & Instructional Course, 2011 – Barcelona, Spain

AO Spine Advanced Course - Trauma Spine Specimen Hands-on, October 1-2, 2012 – Naples (Italy)

Attingo – From anatomy to surgery dissection course - sinonasal, skull base and pituitary region, May 18-20, 2015 – Varese (Italy)

AONEuro Course – Neurotrauma, April 13-14, 2016 – Pacengo di Lazise (Italy)

Minimally-invasive options in the treatment of degenerative diseases of thoracolumbar spine, Medtronic, November 14-15, 2016 – Milan (Italy)

Advanced Algology – Infiltrative techniques US-guided in Pain Medicine, June 17-18, 2017 – Rimini (Italy)

Advanced Algology – Cadaver Workshop on Infiltrative techniques US-guided in Pain Medicine, December 5, 2017 – Padua (Italy)

Advanced Minimally Invasive techniques in Thoracolumbar spine decompression and stabilization, Hands-on cadaver course, September 10-12, 2018 – Naples (Italy)

AO Spine Davos Course - Advanced level course on Complex Cervical Problems, December 8-11, 2019 – Davos (Switzerland)

**Congressi, nazionali e internazionali:
(in qualità di relatore o tutor)**

Brain tumours. Department of surgical sciences, October 24, 2005 - Varese

X National congress of Italian association of neuro-oncology - November 7-9, 2005 – Naples

Multidisciplinary upgrade in surgery, December 16, 2005 – Varese

55° National Congress of Italian society of neurosurgery – November 19-22, 2006 – Sorrento

International Congress “New diagnostic and therapeutic approaches and future perspectives in neuro-oncology”, April 14-16, 2008 – Naples

Italian Meeting of Doctoral candidates in Neurosciences, May 27-28, 2010 – Busto Arsizio (VA), Italy

61° SINCH, October 11-14, 2012 – Rimini (Italy)

Update in Pituitary adenomas and hypopituitarisms – Residential Course, November 16, 2013 – Legnano (Milan, Italy)

The infectious disease consultant in neurosurgery – Residential Course, April 28, 2014 – Legnano (Milan, Italy)

XIII SIB – Evolution of therapies: critical review, November 27-28, 2014 – Milan (Italy)

Integrated approach to the patient with pituitary disease, June 22, 2015 – Legnano (Milan, Italy)

IV International Congress of International Society of Reconstructive Neurosurgery (ISRN) and VIIth Neurorehabilitation and Reconstructive Neurosurgery Symposium (WFNS), September 12-14, 2015 - Cerveteri (Rome, Italy)

Endoscopic & microsurgical dissection course for skull base team, February 29- March 4, 2016 – Varese (Italy)

Endoscopic and microsurgical Course of Skull-base, November 17-18, 2016 – Legnano (Milan, Italy)

VARESS. The modern sinonasal and skull base surgery: Anatomical dissection and operative techniques, February 6-8, 2017 – Varese (Italy)

XXVIII National Congress SPIGC (Multi-specialist Italian Society Young Surgeons), March 22-24, 2017 – Varese (Italy)

Advanced Course in Skull-base surgery: Endoscopic endonasal and transorbital approaches, May 15-17, 2017 – Varese (Italy)

67XV SIB – Update in multidisciplinary approaches to the skull-base, October 25-26, 2018 – Varese (Italy)

68° SINCH, September 16-18, 2019 – Rome (Italy)

I SIMEGEN Congress – Differences in sex and gender in Neurosciences, October 4, 2019 – Milan (Italy)

Eurospine 2020, October 6-9, 2020 - Virtual Congress

69° SINCH, October 13-15, 2020 – Virtual Congress

EANS 2020, Beyond Borders, October 19-21, 2020 - Virtual Congress° SINCH, September 19-21, 2018 – Ancona (Italy)

(altri)

IX National congress of Italian association of neuro-oncology - October 28-30, 2004 – Varese (Italy)

4th Video course “A. Guccione”: Microendoscopic

rhinosinusal and cranial base surgery, October 6-9, 2004
- Varese (Italy)

53° SINCH, November 21-24, 2004 – Milan (Italy)

Neuroendoscopy Symposium: the treatment of
obstructive hydrocephalus. November, 21-24, 2004 –
Milan (Italy)

Brain trauma: CSF leaks. November 21-24, 2004 –
Milan (Italy)

Neurologic pain treatment. March 21, 2005 – Milan
(Italy)

The microendoscopic approaches in the treatment of
skull base surgery. Department of surgical sciences,
November 18, 2005 – Varese (Italy)

“Quo vadis Neurosurgery?” Neurologic Institute
“C.Besta”, February 1, 2006 – Milan (Italy)

“Gliomas relapses: therapeutic possibilities”, February
10, 2006 – Genoa (Italy)

“Gliomas and cerebral metastasis”, April 20, 2006 –
Varese (Italy)

Pediatric neurooncology, September 21, 2006 – Varese
(Italy)

Brain trauma and associated lesions, November 30,
2006 – Varese (Italy)

Brain tumor epilepsy. December 15, 2006 - Palazzo
Greppi, Milano (Italy)

Multidisciplinary aspects in the endoscopic treatment of
cranial base lesions, March 22, 2007 – Pavia (Italy)

Neuroendoscopy 2007, May 9-12, 2007 – Paris,
Versailles (France)

2th International meeting “Updates in neuro-oncology”,
June 28-30, 2007 – Cortona (Arezzo, Italy)

Update AIRO: “Focus on brain tumors”, December 15,
2007 – Milan (Italy)

New concepts in neurosurgical training: tips and tricks,
May 22-24, 2008 – Taormina (Messina, Italy)

Functional neurosurgery. VII Congreso SONCAM
(Sociedad madrileña de neurocirugía), November 21,
2008 – Madrid (Spain)

“Cerebrovascular pathologies: which therapy?”, April
18-19, 2009 – Loano (Genoa, Italy)

Corrosion casting conference, December 3, 2009 –
Varese (Italy)

9th Helsinki Live Demonstration Course in Operative
Microneurosurgery, June 1-5, 2009 – Helsinki (Finland)

IV Course European Association of Neurosurgical
Societies (EANS) – “Vascular Neurosurgery”, September
13-17, 2009 – Opatija (Croatia)

Functional approach to brain gliomas, October 15-17,
2009 – Santander (Spain)

Priorities in politrauma, May 4, 2010 – Varese (Italy)

Cerebral hemorrhages, June 29, 2010 – Varese (Italy)

Theoretical-Practical Live Surgery Course on “Awake
craniotomy for cerebral gliomas”, June 9-11, 2010 –
Ferrara (Italy)

X ‘Hands On’ Cadaver Dissection & Instructional
Course; 2011 – Barcelona (Spain)

AOSpine Advanced Course - Trauma Spine Specimen
Hands-on, October 1-2, 2012 – Naples (Italy)

Glioblastoma 2013, June 21, 2013 – Milan (Italy)

Endomilano 2014, 6th World Congress for Endoscopic
surgery of the brain skull base & spine, April 14-17,
2014 – Milan (Italy)

First Bellaria Neurovascular Conference – New
Concepts in Cerebrovascular Diseases, November
26-28, 2015 – Bologna (Italy)

Pediatric craniopharyngioma, May 13, 2016 –

Modena (Italy)

Update on Spinal Trauma in Italy, June 17, 2016 –
Parma (Italy)

XIV SIB – Theoretical and practical skills in Skull base
tumors, November 29-30, 2016 – Milan (Italy)

20 years of Endoscopic Endonasal Surgery, May 26,
2017 – Naples (Italy)

EANS 2017, October 1-5, 2017 – Venice (Italy)

The hemostasis in the management of neurosurgical
patient, December 1, 2017 – Milan (Italy)

Trauma Update Milan 2018 – Consensus Conference on
Neurologic injuries in Multi-trauma patients, December
10, 2018 – Milan (Italy)
